SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the *Federal Register* concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* New collection (Request for a new OMB control); *Title of Information Collection:* FOIA/Privacy Act Requests for Medicare Claims Data via CMS FOIA Public Portal; *Use:* This collection of information is dedicated to Medicare beneficiaries and third-party requesters (law firms or others) acting on behalf of beneficiaries that are making requests for CMS to produce Medicare beneficiary records through 5 U.S.C. § 552(b) (See also 42 C.F.R. § 401.136). Currently the requests are mailed / faxed / emailed to CMS. The new online portal will allow for ease and efficiency to upload the request and required authorization, which will be quickly and securely sent directly to CMS. Additionally, with the new online portal, requesters will be able to securely submit requests electronically that contain PHI or PII; they will be advised that MyMedicare.gov / Blue Button is an online service

available for beneficiaries to set up an account to access their own records and give authorization to share with third parties. This secure public online portal will be integrated with the agency's current FOIA/Privacy Act case management system to ensure a centralized location for housing, securing, tracking and processing the incoming requests (See 45 C.F.R. § 5.22 and 5.24). *Form Number*: CMS-10781 (OMB control number: 0938-New); *Frequency*: Occasionally; *Affected Public*: Individuals or Households; *Number of Respondents*: 19,000; *Total Annual Responses*: 360; *Total Annual Hours*: 17,160. (For policy questions regarding this collection contact Hugh Gilmore at 410-786-5352).

2. *Type of Information Collection Request*: Reinstatement without change of a previously approved collection; *Title of Information Collection*: Organ Procurement Organization Histocompatibility Laboratory Cost Report; *Use*: The Form CMS-216-94 cost report is needed to determine Organ Procurement Organization (OPO)/ Histocompatibility Lab (HL) reasonable costs incurred in procuring and transporting organs for transplant into Medicare beneficiaries and reimbursement due to or from the provider. The reasonable costs of procuring and transporting organs cannot be determined for the fiscal year until the OPO/HL files its cost report and costs are verified by the Medicare contractor. During the fiscal year, an interim rate is established based on cost report data from the previous year. The OPO/HL bills the transplant hospital for services rendered. The transplant hospital pays interim payments, approximating reasonable cost, to the OPO/HL. The Form CMS-216-94 cost report is filed by each OPO/HL at the end of its fiscal year and there is a cost report settlement to take into account increases or decreases in costs. The cost report reconciliation and settlement take into consideration the difference between the total reasonable costs minus the total interim payments received or receivable from the transplant centers. *Form Number*: CMS-216-94 (OMB Control number: 0938-0102); *Frequency*: Annually; *Affected Public*: Private Sector - Business or other for-profits; *Number of Respondents*: 95; *Total Annual Responses*: 95; *Total Annual Hours*: 4,275 (For policy questions regarding this collection contact Luann Piccione at 410-786-5423)
